ORAL ORDER

4 25-11-2021

Heard learned counsel for the petitioner and the State.

The petitioner prays for grant of anticipatory bail in
Sitamarhi P.S. Case No. 237/2019 registered for the offence
punishable under Sections 304(B)/34 of the Indian Penal Code.

This is a case in which the deceased died within four
months of her marriage due to torture meted out by her in-laws
and the entire family.

The *post-mortem* report also shows that she has died
because of hanging.

It is being contended by learned counsel for the
petitioner that the petitioner is only a Dewar and there is general
and omnibus allegation against him and the husband is in jail.

This kind of argument in a case where the girl has
died within four months of her marriage will not cut ice in this

Court. This is a serious case in which the entire family has killed the newly married girl. Though, the petitioner is a young member of the family, but he does not deserve anticipatory bail.

Therefore, the prayer of the petitioner for grant of anticipatory bail is, accordingly, rejected.
