CORAM: HONOURABLE MR. JUSTICE PARTHA SARTHY
ORAL ORDER

3 30-07-2021 Heard learned counsel for the parties through video
conferencing.

The petitioner has preferred this application for grant
of regular bail in a case registered under sections 304B, 328 and
34 of the Indian Penal Code.

As per allegation in the F.I.R., the sister of the
informant was poisoned to death by the accused persons, a
month after marriage.

It is submitted by learned counsel for the petitioner
that the allegations as levelled in the F.I.R. are false and
concocted. The petitioner happens to be the husband of the
deceased. The sister of the informant was not happy with her
marriage, the same having been conducted against her will and

thus she committed suicide. It is further submitted that independent witnesses have stated about the door being locked from inside and froth coming out of her mouth. No external injury is reflected in the postmortem report, the investigation has concluded and petitioner is in custody since 9.10.2020.

Heard learned A.P.P. for the State.

Having heard learned counsel for the parties and on going through the material that has transpired in course of investigation that the deceased had been narrating to the informant, her brother, about the torture by the accused persons. Further, the allegation is on the accused persons having administered poison and the same is supported from the report of Forensic Science Laboratory contained in paragraph no. 123 of the case diary, the Court is not inclined to enlarge the petitioner on bail and the application is rejected.

The learned trial Court is directed to expedite the trial.
