None appears on behalf of appellants. Same situation prevailed on 18th June, 2021 when following order was made:

"The second appeal tender is of year 2009. It has been reported to be in order and listed to be moved for admission. None appears on behalf of appellants.

Let notice enclosing copy of this order be issued to the learned advocate that this appeal will be listed in monthly list of August, 2021. In event appellants continues to go unrepresented on adjourned date, the appeal is likely to be dismissed.

List in monthly list of August, 2021."

Noting dated 4th August, 2021 says the postal article was returned unserved with endorsements 'No such person' and 'Not Found'. Printed list has been published. We are convinced appellants have lost interest.

SA 44 of 2010 is dismissed.
