... for the State

This is an application under Article 226 of the Constitution of India wherein the writ petitioner is aggrieved by the inaction on the part of the respondent authorities in considering her case for transfer under Rule 4(1)(a) of the West Bengal School Service Commission (General Transfer, Transfer on Special Ground and Reallocation) Rules, 2015.

The case of the writ petitioner is that 'no objection' has been given by the school authorities and the file is now lying with the District Inspector of Schools (S.E.), Nadia being respondent 6.

I have heard learned Counsel for the appearing parties and perused the materials on record.

In my view, the concerned District Inspector of Schools (S.E.), Nadia, being respondent 6, is directed to

act in accordance with law and send the documents to the West Bengal Central School Service Commission who should decide on the matter within a period of four weeks thereafter in accordance with law.

With the above direction, this writ petition is disposed of.

Since no affidavit-in-opposition is called for, allegations made in the writ petition are deemed not to have been admitted.

All parties are to act on website copy of this order.
