CO No.345 of 2018

Santosh Dey
Vs.
Usha Jaiswal and another

It is apparent from the order dated December 10, 2021 that none have been appearing for either of the parties on repeated occasions, when the matter was called on for hearing. In the said order dated December 10, 2021, it was recorded that, as a last chance, the matter was adjourned for the day.

However, none appears for either of the parties even today when the matter is called on for hearing.

Accordingly, CO No.345 of 2018 is dismissed for default without any order as to costs.

Urgent photostat certified copies of this order, if applied for, be made available to the parties upon compliance with the requisite formalities.
