Mr. Chapales Bandyopadhyay, learned advocate for the West Bengal Central School Service Commission is disturbing the court proceedings without any reason.

The Sheriff is called to take him out of this court room as he is not inclined to leave the court room and continues the disturbance. Today I have called the Chairman along with the Secretary of the Commission to explain certain things.

I have heard the learned advocate for the petitioners who has submitted that the Commission should publish the particulars as given in Rule 10 (3)

of West Bengal School Service Commission (selection for appointment to the post of Assistant Teachers in junior High/Secondary and Higher Secondary Schools) Rules, 2019 in respect of each candidate, which according to him, is all candidates who participated in the selection test.

But I find on a reading of the above Rule as a whole being Rule 10 (3) that the Commission is required to publish the marks which has been mentioned in Rule 3 (i), 3 (ii) and 3(iii) in respect of the successful candidates only and not in respect of all candidates who participated in the selection process.

The Chairman and the Secretary are present today in court to clarify the system of giving weighage.

On a query made by this court the Chairman has informed this court that they have fully complied with this Rule 10(3) so far as the successful candidates are concerned.

Under such circumstances I do not find any merit in this writ application and the writ application is dismissed.

The Sheriff has arrived at the call of the court. The court directed the Chairman of the West Bengal Central School Service Commission to identify his counsel Mr. Chapales Bandyopadhyay. At this point of time he is not in the court and it is made clear that

nobody of this court, whoever he may be, will be allowed to disturb the court proceedings.
