Learned advocate appearing for the State submits that the complaints of the petitioner was inquired into and a prosecution under Sections 107/116(C) of the Criminal Procedure Code submitted.

On an inquiry from the Court, learned advocate appearing for the private respondents submits that the private respondents do not object to the petitioner repairing his residence.

In view of the private respondents not objecting to any repair being made by the petitioner, it would be appropriate to direct the police to ensure that no breach of peace occurs at the locale when the petitioner repairs his house.
