could not achieved.

Having considered the submissions of both sides, the Court is of the view that the revisional application may be disposed of, so as to sub-serve the purpose of justice, as proposed to be obtained giving directions mentioned as hereunder.

Learned court below is directed to make consideration of the charge either on the scheduled date, or if for any reasons whatsoever, the same could not be done, the charge may be framed within six weeks thereafter peremptorily, providing an opportunity of hearing to either of the parties to this case, upon viewing the chemical report with an aim to ensure expeditious disposal of the pending case, and if necessary steps may be taken, as available under Section 309 Cr.P.C. so that logical conclusion of the case may be reached within a reasonable period of time.
