Let the report filed by the Commissioner of School Education in court today be kept on record.

It is an admitted position that the petitioner joined the school in the year 2018. The relevant rule says that unless a teacher works in a school continuously for five years, he cannot make an application for transfer.

This application is absolutely frivolous and the same is dismissed with a cost of Rs. 200/- to be paid to the High Court Legal Services Committee within a period of two weeks from date.
