WPA 8503 of 2003

Jan Mohammad

Vs.

The State of West Bengal & Ors.

None appears for the parties.

The petitioner seeks a direction on the authorities to cancel the participation of the respondent no. 9 in the tender pursuant to the notice dated May 2, 2003.

The writ petition was considered on June 16, 2003 when directions for affidavits were given. Interim order was declined. The records demonstrate that none of the parties filed any affidavits pursuant to the directions.

In the circumstances, WPA 8503 of 2003 is dismissed for default.
