Petitioner seeks anticipatory bail.

Learned advocate for the petitioner submits that no contraband was recovered from the possession of the petitioner. The recovery was made from the house of the petitioner.

Learned advocate for the State submits that although intermediate quantity of heroin was seized from the house of the petitioner, police also came across weighing machines and huge amount of currency notes.

Considering the materials in the case diary and considering the fact that contraband was recovered from the house of the petitioner albeit of intermediate quantity alongwith weighing machine and currency, we are not inclined to grant anticipatory bail to the petitioner.

Accordingly, prayer for anticipatory bail is rejected.
