Two applications for relaxation are taken up for consideration as they emanate out of the same police station. It is submitted on behalf of the applicants that, the applicants are seeking relaxation of the condition of the

anticipatory bail requiring the applicants to report before the Investigating Officer once in a week. It is submitted that the police submitted charge sheet with the charges being framed.

Learned advocate appearing for the State submits that when the anticipatory bail was granted, charge sheet was submitted.

Considering the fact that the police concluded the investigations and submitted charge sheet and that charges stand framed, it would be appropriate to relax the condition of the anticipatory bail requiring the applicants to report before the Investigating Officer once in a week. All other conditions of the order granting anticipatory bail will remain the same.

CRAN 1 of 2022 in CRM 5270 of 2021 and CRAN 1 of 2022 in CRM 5271 of 2021 are disposed of accordingly.
