Learned advocate for the petitioner submits that the prayer of the petitioner is for giving him proper marks and new marksheet containing the proper marks and also reassessment of the answers of the questions of Bengali and English paper.

Learned advocate appearing for the West Bengal Council of Higher Secondary Education submits that there is a provision of post publication scrutiny which the petitioner availed and there was no change of marks after the post publication scrutiny.

The petitioner filed post publication scrutiny application has been admitted by the learned counsel appearing for the petitioner.

In such circumstances, this Court is not inclined to pass any order in favour of the petitioner

as there is no question of any reassessment of answers given by one examinee.

I hold that there is no merit in the writ application and the same is dismissed, however, without any order as to costs.

Urgent certified website copy of this order, if applied for, be made available to the parties upon compliance of the formalities.
