

CRR 1823 of 2021

In re : An application under Section 482 read with Section 483 of the Code of Criminal Procedure, 1973.

In the matter of : **Nadeshwar Mukherjee @ Nadeswar Mukherjee & Ors.**

..... petitioners

**Mr. Jagannath Ganguly
Ms. Smita Dhar**

....For the petitioners

Mr. Pratick Bose

.....For the State

Mr. Pratick Bose, learned advocate, who generally appears for the State, is requested to appear in this matter. Let his appointment be regularized.

The petitioners seek early disposal of a proceeding being G.R. Case No. 1820 of 2019 under Sections 498A/34 of the Indian Penal Code, 1860, read with Section 4 of the Dowry Prohibition Act, 1961, pending before the learned Chief Judicial Magistrate, Tamluk.

It has been submitted by the learned advocate for the petitioners that petitioner no. 1 is working in the United States of America and he is the husband of the opposite party no. 2/de-facto complainant. The petitioner nos. 2 and 3 are the father-in-law and mother-in-law of the de-facto complainant/opposite party no. 2.

It has been submitted by the learned advocate for the petitioners that because of the dilatory tactics adopted by the de-facto complainant/opposite party no. 2, the trial is being deferred on different dates.

The case is at the evidence stage, and there are four witnesses in total to be examined.

The petitioners seek an expeditious hearing of the trial.

In view of the innocuous prayer made in the petition, I dispose of this application with a direction upon the learned Chief Judicial Magistrate, Tamluk, Midnapore East, to make an endeavour to conclude the trial as early as possible, preferably, within a period of one year from date without granting any unnecessary adjournment to either of the parties.

Since the de-facto complainant/wife/opposite party no. 2 shall not be prejudiced by this order, this revisional application is disposed of without giving any notice to her.

All parties shall act upon the server copy of this order duly downloaded from the official website of this Court.
