Court No. 19
Item No.31
CP

WPA 14593 of 2021

Berhampore Medical Centre & ors.
Vs.
State of West Bengal & ors.

Md. Sarwar Jahan
Md. Asraful Huq
Mr. Maidul Islam Kayal

.....for the petitioners.

Mr. Srijan Nayak
Mrs. R. Maitra

.....for the respondent no.7.

The allegations in the writ petition are civil in nature. It appears to be a landlord-tenant dispute between the cooperative society and the petitioner.

Thus, this court does not wish to exercise extraordinary jurisdiction in this case.

However, as there appears to be a suggestion for amicable settlement of the issue, this order shall not prevent the parties from settling the issue amicably. Other steps as permitted by law may be taken by the parties for redressal of their grievances.

The writ petition is, thus, disposed of. There shall be no order as to costs.

Parties are to act on the server copy of this order.
