Ct.No.30.

CRR/2268/ 2012

In the matter of : Smt.Nabanita Saha.

...the Petitioner.

The instant revision is pending since 2012.

None appears for the parties.

The conduct of the parties presumably suggests that they are not willing to proceed with the instant revision, as the same has become infructuous during the passage of time.

Therefore, the instant revision is dismissed.
