WPA No.19446 of 2021

Smt. Archana Sarkar and another
Vs.
The State of West Bengal and others

Mr. Prasenjit Debnath
.... for the petitioners

Mr. Sudipta Panda,
Mr. Subrata Ghosh
.... for the State

Mr. Mihir Kundu
.... for the WBSEDCL

Affidavit-of-service filed in court today be kept
on record.

Learned counsel for the petitioners contends
that when the petitioners tried to raise constructions
on the petitioners' own property, the electric line to
the petitioners' premises has become a hindrance in
such constructions. Accordingly, the petitioners have
duly applied before the Distribution Company for
taking adequate steps to remove and reconnect such
supply over an alternative pathway.

Thereafter, the Distribution Company officials have already held inspection, however, it has been comminuted by the Distribution Company that certain objections have been raised from some quarters to such alteration of pathway.

Learned counsel appearing for the Distribution Company corroborates such submissions.

In such view of the matter, WPA No.19446 of 2021 is disposed of by directing the respondent no.3 to dispose of the disputes raised in respect of the petitioners' prayer for altering the pathway of their electric connection at the premises-in-question within four weeks from the date of communication of this order to the respondent no.3.

The petitioners shall serve a copy of the writ petition, along with a server copy of this order, on the respondent no.3 for the latter to take expeditious steps in disposal of the issue.

There will be no order as to costs.

Urgent photostat certified copies of this order, if applied for, be made available to the parties upon compliance with the requisite formalities.
