Sl. No.39.

C.O. 3762 of 2011

Jay Krishna Jaiswal
Vs.
Srikumar Das & Ors.

When this revisional application is taken up for hearing, no one appears for the parties and no accommodation is sought either.

It appears from record that on 26th September, 2019 prayer for adjournment was sought on behalf of the petitioner and the same was granted. Perhaps, the petitioner has lost interest in this civil revisional application.

Hence, the civil revisional application stands dismissed for default.

The interim order(s), if any, stands vacated.
