

Dl. January
25. 25, 2021

Through Video Conference

F.M.A.T. 1291 of 2019

The appellant is not represented either physically or virtually nor any accommodation is prayed for. On the earlier occasion, that is, on January 21, 2021, the appellant was not represented. Further, it appears that the defect as indicated by the stamp reporter in his report dated December 11, 2019 has not yet been cured.

The appeal is, accordingly, dismissed as time barred.
