CRA 685 of 2010

In the matter of: Ganadeb Chatterjee

... appellant

It is found from the office report dated September 1, 2021 that the accused/respondent no.1 has expired during pendency of the appeal. Since the appeal is against an order of acquittal, the same is rendered infructuous due to such demise.

Accordingly, CRA 685 of 2010 is disposed of as infructuous.
