Re: CAN 1 of 2018 (Old CAN 6329 of 2018)

This is an application for condoning of delay of 335 days in filing the review application. The application is allowed as sufficient reason has been shown for such delay.

Re: RVW 123 of 2018

On perusal of the grounds of review, I find that all of the points taken are on merit for which appeal was required to be filed, which has not been done.

Review cannot take the place of an appeal.

As there is no merit for reviewing the order dated 7th August, 2017, this review application is dismissed.
