Report as called for by the order dated August 6, 2021
filed in Court be taken on record.

Report contains photographs of the locale. The
photographs apparently shows that the construction was there
for some period of time.

Learned advocate for the petitioner submits that the order
of injunction was of 2018 and the construction was made
subsequent to such order of injunction.

It is for the petitioner to take steps before the appropriate
forum in the event there is any violation of any subsisting order
of Civil Court. A Writ Court need not interfere therein.

WPA 8644 of 2020 is disposed of accordingly.

Urgent certified website copies of this order, if applied for,
be made available to the parties upon compliance of the requisite
formalities.
