The Court:- This proceeding is not appreciated by this court.

No such grave illegality or irregularity in the proceedings of the subordinate court is shown so as to impel this court to exercise its writ jurisdiction and issue a writ in the nature of prohibition or certiorari.

If conduct of the proceedings by the learned judge is entertained in its writ jurisdiction of this court, it will open a floodgate for litigants and result in total obstruction of the judicial process. Hence, we see no reason to admit this appeal, far less pass any interim order.

We observe that it will be open to the appellant after the case is decided by the learned court below to take any point urged in this writ petition in the ground of appeal, if at all such ground is available.

The appeal and the stay application are dismissed.
