Order On Board

01.03.2021

1. The challenge in all these bunch of writ petitions was the order passed by the respondents declaring the candidature of the petitioners to be ineligible for recruitment to the post of Teacher (E & T Cadre).
2. The declaration of the petitioners to be ineligible was on the ground that the petitioners have undertaken their degree course as also diploma course simultaneously in the same academic session.
3. The challenge primarily was that there was no bar as such by either under the rules governing the field or by way of instruction by any of the Authorities of the Govt. or for that matter from any of the educational institutions or even by the UGC whereby any restriction/prohibition has been put for undertaking degree and diploma courses in the same academic session.
4. Today, when the matter was taken up for hearing, counsel appearing for the petitioners drew the attention of this Court to a document from the Office of the Directorate of Public Instruction dated 15.02.2011 whereby in a departmental meeting that was convened on 10.02.2021, the Directorate of Public Instruction has as a policy decision decided that those candidates who have undertaken degree and diploma

courses in the same academic session, shall not be declared ineligible from being considered for the post of Teacher. The said order dated 15.02.2011 has been passed by the Joint Director with the approval of the Director as would be evident from the order dated 15.02.2021.

5. Counsel appearing for the petitioners further submits that in none of these writ petitions was there a written order by the Department whereby the petitioners have been declared ineligible, rather the petitioners have been orally informed so far as their ineligibility part is concerned which has led to the filing of the petitions.
6. Given the fact that the Directorate of Public Instruction has now taken a decision on 15.02.2021 not to declare the candidates ineligible on the ground of having undertaken degree and diploma courses in the same academic session, these bunch of writ petitions can be disposed of at this stage directing the respondent authorities to proceed further with the recruitment process so far as the petitioners are concerned not treating them to be ineligible in terms of the decision taken on 15.02.2021 by the Directorate of Public Instruction.
7. Accordingly, these writ petitions stand disposed of. The respondents are expected to consider the case of each of the petitioners on its own merits without treating them ineligible on the ground of having degree and diploma in the same academic session.
