Hon'ble Shri Justice P. Sam Koshy**Order on Board****23/02/2021**

1. The challenge in the present writ petition is to the order passed by the respondents whereby the respondents have declared the petitioners to be ineligible for participation in the recruitment process to the post of Teacher (Mathematics). Declaring of the petitioners ineligible was on the ground that the petitioners are not graduate in Maths but are Engineering degree holders.
2. The issue involved in the present writ petition is one which has already been considered by this Court in a bunch of writ petition of identical nature, the leading of which is WP(S) No. 3789/2019

which stood decided on 17.11.2020. Since this Court have already allowed the said writ petition and have held that the Engineering Degree Holders also have to be treated as Graduates for the purpose of consideration of their application subject to their fulfilling other requisite eligibility criteria in-terms-of the advertisement. The present case also stands covered by the said judgment dated 17.11.2020 passed in WP(S) No. 3789/2019 and other analogous writ petitions.

3. Given the said facts, the present writ petition is also allowed and disposed off on similar terms as has been decided in WP(S) No. 3789/2019, subject to the petitioners' fulfilling other requisite eligibility criteria in-terms-of the advertisement.
4. Let a copy of the order passed in WP(S) No. 3789/2019 be also made part of the records of the present writ petition as also part of this order.
5. The writ petition accordingly stands allowed and disposed of.
