Heard.

1. Learned counsel for the petitioner would submit that the petitioner is in occupation of the land bearing plot No.189/1 at sheet No.44 at Tehsil Raigarh, District Raigarh and over 400 sq.ft. the petitioner manages his livelihood and has raised a superstructure. Learned counsel submits that as per the recent policy of the State dated 11th September, 2019 (Annexure P-4) the petitioner has applied for settlement of the said land in his favour for which necessary publication is already made by the Nazul Officer, Raigarh by Annexure P-5 inviting objection. He would submit that in the meanwhile the petitioner is served with a notice dated 11/02/2021 by the Municipal Corporation whereby there is all likelihood that the petitioner would be ejected though the land do not belong to the Municipal

Corporation, therefore the Municipal Corporation may be restrained to take any further action in furtherance of notice Annexure P-1 dated 11/02/2021.

2. Learned counsel for the Municipal Corporation would submit that notice Annexure P-1 is not with respect to dispossession but it is with respect to construction without any permission.

3. In view of such submission, after reading Annexure P-1 dated 11/02/2021, it is observed that the petitioner may appear before the Municipal Corporation pursuant to notice dated 11/02/2021 and may justify the action by necessary document and the Municipal Corporation after hearing the petitioner giving the opportunity may pass suitable order. However, it is made clear that the Annexure P-1 dated 11/02/2021 shall not be construed to dispossess the petitioner at the behest of Municipal Corporation.

4. With such observation, the petition stands disposed of.
