Order On Board

29.11.2021

1. The limited grievance that the petitioner has in the present writ petition is that the respondents have considered appointing the petitioner to the post of Teacher at Bilaspur division which was the last preference of place of posting given by the petitioner.
2. According to the petitioner, there are few vacancies arisen on account of the selected candidates not being interested to join at Durg, Raipur where the petitioner had given a preference ahead of Bilaspur division and therefore, the claim of the petitioner be considered by the authorities accordingly. According to the petitioner, he has already made a representation to the authorities concerned in this regard.
3. At the outset, this Court is of the opinion that the petitioner does not

have as a matter of right any claim for being considered for appointment in accordance with the order of preference for posting which the petitioner had given. It was only a preference sought by the authorities which has to be considered as far as possible in accordance with law. In case the authorities have considered granting the petitioner appointment in Bilaspur Division, it cannot be said to be in any manner arbitrary or mala fide. However, in case the petitioner makes an appropriate representation to the authorities concerned for change of the place of posting in accordance with the preference that he had given, the authorities would be free to take an appropriate decision on its own merits in accordance with law.

4. It is made clear that this Court has not expressed any opinion on the merits of the case so far as the entitlement of the petitioner is concerned, the authorities are expected to take a decision purely on its own merits subject to the availability of vacancies etc. on the administrative side at the earliest preferably within a period of 90 days from the date of receipt of copy of this order.
5. It is made clear that the pendency of the representation of petitioner would not preclude the respondents from proceeding further with the recruitment process and they would be free to issue appropriate orders to all the eligible/selected candidates in accordance with the rules governing the field.
6. The writ petition thus stands disposed of.
