1. Learned counsel for the petitioner would submit that though the petitioner was granted ad interim bail till 14th of June, 2021, but since thereafter his mother Premlata Agrawal has been suffering from post COVID eye disease and she is being treated at Nagpur. The petitioner's father Anand Kumar Agrawal has also been found corona positive and presently he is hospitalized at Gautam Multi Speciality Hospital at Raipur. Therefore, the interim bail granted to the petitioner may be extended for a further period of 3 weeks, as his two brothers are residing at Singapore and London
