Heard.

1. The limited grievance that the petitioner has in the present writ petition is
that his application for grant of license under PSARA Act, 2005 filed in the
month of August 2020 is not being processed and decided though it is over
one year since the application has been made by the petitioner.
2. Considering the provisions of Section 7 of the aforesaid Act of 2005, which
stipulates 60 days time within which his application has to be processed and

decided and though since more than one year has already lapsed after the petitioner has made application and the decision is awaited, this court is of the opinion that the writ petition itself can be disposed of at this juncture directing the respondents No.1&2 to take a decision on the said application of the petitioner at the earliest preferably within a period of 30days from the date of receipt of copy of this order. It is expected that the respondents No.1&2 shall take a decision in accordance with provisions of the aforesaid Act of 2005.

3. The nature of dispute which has been raised clearly disturb the conscious as it would be real disrespect for the army people for which there are certain measures which are made by way of statute to get the privilege.
4. Therefore, it is directed that the respondents shall process and decide the application of the petitioner for renewal of the license within a further period of 30 days from the date of receipt of this order.
5. The Writ Petition accordingly stands disposed off.
