1. Heard.
2. Admit.
3. This is CrMP for correction in the final order passed on 08.09.2021 by this Court in M.Cr.C. No. 6853 of 2021 whereby the petitioner/applicant has been granted bail, but due to inadvertent typographical mistake in the said bail application, the name of father of the applicant has wrongly been mentioned as 'Dhanshyam Jangde' whereas the correct name of the father of the applicant is 'Ghanshyam Jangde', therefore, during execution proceedings, the applicant has not been released by the trial court on bail. Hence, this CrMP.
4. Upon due consideration, trial Court is directed to verify the name of father of the applicant through Aadhar Card or any other relevant documents and release the applicant on bail.
5. Accordingly, this CrMP stands disposed of.
