1. The claim of petitioner in the present writ petition is for an appropriate direction to the respondents to consider transferring the petitioner from the present place of posting to a different place particularly at Raipur.

2. The issue as regards the tenure of posting and the place of posting are not one which could be considered by the High Court in exercise of its writ jurisdiction as both the tenure of posting as also the place of posting are exclusively within the domain of the employer. The claim of petitioner is one which has to be exclusively dealt by the respondents.
3. The writ petition therefore stands disposed of permitting the petitioner to approach the respondents on the administrative side for ventilating his grievances. In case the petitioner approaches the respondents by way of a representation, the same be considered on its own merits strictly in accordance with the policy governing the field.
