Order

15/01/2021

Heard.

1. The default as pointed out by the Registry is ignored. Since the facts and

question of law being similar in all cases, they are decided together by this common order.

2. The instant petitions have been filed against the notice issued under Section 4 of the Public Premises (Eviction of Unauthorised Occupants) Act, 1971 (hereinafter referred to as 'the Act of 1971'). One notice is dated 28/10/2020 and another is dated 18/09/2020 whereby they have been asked to produce the documents in respect of the different plots which were situated in Vivekanand Nagar Rehabilitation, Beltikri, Dipka Project.

3. Learned counsel for the petitioner would submit that the petitioners who are the villagers were rehabilitated when the SECL displaced their predecessor or the petitioners and were rehabilitated in the village Beltikri which was subsequently rehabilitated in the name of Vivekanand Nagar, Dipka Project and different plots were allotted. The petitioners thereafter constructed their houses and are living therein and with the subsequent passage of time in the gram panchayat different development also took place. The petitioners further submits that the petitioners have been served with a notice under Section 4 of the Act of 1971 and have been asked to reply to the same. Learned counsel would submit that the rehabilitation documents are entirely in the possession of the SECL as in the year 1992 when they were rehabilitated the petitioners or their predecessors were given the different plots and accordingly they are residing there. All of a sudden the issuance of notice under Section 4 of the Act of 1971 though the petitioners are ready to reply the same, the petitioners are not in hold of any documents which pertains to rehabilitation with respect to Vivekanand Nagar at village Beltikri. Therefore before the petitioners case are heard, they should also be supplied with necessary documents so that they may reply the same and the proceeding may be drawn up not in the arbitrary manner but the measurement of the

plot which were allotted and inspection and the demarcation may be carried out.

4. Learned counsel for the respondent/SECL on instruction would submit that the document filed with the petition do not disclose the fact that the petitioners or their predecessors were rehabilitated, therefore the petitioners can very well reply to the notice under Section 4 of the Act of 1971 and these petitions would be premature.

5. Perused the documents filed alongwith the petition.

6. The challenge is to the document Annexure P-1 which is notice under Section 4 of the Act of 1971. Alongwith the petition a map is attached which purports that it is of Vivekanand Nagar Rehabilitation of SECL Gevra area. This document has been filed by the petitioner. The notice issued by SECL in the schedule it reflects that the notice has been issued in respect of the different plots which are situated at Vivekanand Nagar settlement, Beltikri, Dipka Project and different plots have been numbered. The primary inference therefore comes out that the notice pertains to the settlement made of villagers. According to the schedule of the notice which is issued under Section 4 of the Act of 1971 the word Basahat is used. If the settlement has been made by the SECL which is named as Vivekanand Nagar, Beltikri, Dipka Project then the voice raised by the petitioners that they may be supplied with the necessary documents of the settlement appears to be logical as it affects their livelihood and their place of abode. The nature of submission made by the petitioner cannot be shelved for the reason that they primarily belong to class who were said to have been allotted plots on rehabilitation. It is not of like ordinary class of cases where the grant/allotment are not in dispute. The reflection in the map and schedule of property in the notice prima facie show that the notices were issued for an area of settlement made. The SECL must be in hold of the necessary documents, therefore in order to facilitate the factual aspect to be decided, the SECL is directed to give the necessary document of the settlement

to the petitioners alongwith the map of the area to demonstrate the settlement how made, alongwith the manner the plots were carved out and allotted. The said document of settlement is required to be supplied so that each individual petitioner can defend their cause. The documents as and when supplied the petitioners may file their reply and the Estate Officer shall consider the individual case on merits. The petitioners shall appear before the Estate Officer on 8th of February, 2021.

7. With such observation, all the petitions stand disposed of.
