Order On Board

03/03/2021

1. Heard on application for condonation of delay as well as on prayer for grant of leave to appeal.
2. Even if, we are inclined to condone the delay, there is no scope of interference against the judgment of acquittal because the prosecutrix herself has not involved the accused and emphatically denied any rape committed on her and she stated that she and accused were in love affair and only to do away with this relationship, she was taken to police station by her father and report was lodged, therefore, no case is made out for grant of leave to appeal. Therefore, the application is rejected.
3. The CRMP is accordingly dismissed.
