CORAM : SANDEEP K. SHINDE, J.

DATE : 04.08.2021

PER COURT :-

Primary evaluation of the First Information Report clearly suggests that the applicants were aggressors and mounted attack on the complainant by dangerous weapons, like swords. Two independent witnesses, whose statements recorded under Section 164 of the Code of Criminal Procedure support the allegation and suggest applicants complicity in

the crime. Additionally, the injury certificate shows, one grievous and two simple injuries were caused by sharp weapons.

2. In consideration of the facts of the case and the gravity of the offence, both the applications are rejected.
