CORAM : SMT.VIBHA KANKANWADI, J.
DATE : 30-09-2021.

ORDER :

1. Present application has been filed for bringing the legal representatives of the respondent on record.
2. It appears that the respondent expired on 28-07-2021. The civil application is within limitation and the original suit filed by the sole respondent was for partition and separate possession. The right to sue survives and, therefore, the legal representatives are required to be brought on record. Hence, the application stands allowed and disposed of.
3. The necessary amendment be carried out within a period of ONE (1) week and also the office objections be removed.
