**CORAM : R.G. AVACHAT, J.
DATED : 22nd DECEMBER, 2021**

PER COURT :

1. Heard.
2. The challenge in these revision applications is to the order dismissing the applications for rejection of the plaint.
3. Perused the plaint. It is a suit for injunction simpliciter filed by the plaintiff claiming to have been lessee in possession of the land. The application for rejection of the plaint was moved on various grounds. This

Court finds the order impugned herein to be well reasoned. Needless to mention the plaint in suit for injunction simpliciter restraining the defendants from obstructing possession of the plaintiff over the suit land cannot be rejected. Since no case made out even for issuance of notice, these revision applications stand dismissed.
