942 WRIT PETITION NO.11729 OF 2021

**RAJARAM MANSING RATHOD AND OTHERS
VERSUS
SHRIDHAR NARAYAN SANGULE DIED THR LRS
HARISHCHANDRA SHRIDHAR SANGULE AND OTHERS**

...

Advocate for Petitioners : Choudhari Sushant B

**CORAM: MANGESH S PATIL,J.
DATE : 22.10.2021**

P.C.:

The petitioners are aggrieved by the order whereby the Reference Court under the Land Acquisition Act has refused to permit them to withdraw the amount of compensation deposited by the Land Acquisition Officer.

2] Though the Reference is old, that alone cannot be a ground to cause any interference much less while exercising the writ jurisdiction. The learned Judge has taken a plausible view in observing that the dispute is going on between the parties and can be decided in the main Reference. He has also taken care to direct that the Reference would be expedited. There is no apparent illegality or perversity in the order so that this Court can intervene.

3] The Writ Petition is dismissed.

4] The Reference Court shall now obey its own direction and decide the Reference as early as possible.
