CORAM : SMT. VIBHA KANKANWADI, J.

DATE : 23rd February, 2021

ORDER :-

. All the applicants have been arrested by Yusuf Wadgaon Police Station, district Beed in connection with Crime No.150 of 2020 for the offences punishable under Sections 302, 341, 323, 504, 506, 143, 147, 149 of Indian Penal Code. They have filed present applications for bail under Section 439 of the Code of Criminal Procedure.

2. Heard learned Advocate Mr. S. S. Thombre for applicants in both bail applications and learned APP Mr. S. B. Narwade for respondent – State well assisted by learned Advocate Mr. V. M. Chate representing the original informant.

3. It has been vehemently submitted on behalf of the applicants that perusal of the FIR would show that the main allegations are against

accused Balu @ Chandraprakash Kendre, who had assaulted deceased Babasaheb with whip. The FIR shows presence of all the applicants, however, role attributed to them is abuses. Further, it states that the said incident had taken place at about 3.00 p.m. on 17.07.2020 and the accused persons as well as Balu @ Chandraprakash Kendre left the place. Informant, who is the wife of deceased Babasaheb, states that thereafter Babasaheb became frightened and told the informant that he would go to the place of his sister at Tokwadi, as he has fear from the accused persons. He left the house at about 3.00 to 3.30 p.m.. Thereafter, the informant had contacted him on phone at about 7.38 p.m., whereupon Babasaheb told that he is near field of one Subhash Uttam Lad on Ambejogai road and he is alone. He also told that the present accused persons are near him. The phone was then cut off. Informant then sent her brother to see where deceased Babasaheb is. Her brother returned at about 9.00 p.m. and told that he could find the motorcycle of Babasaheb, but he could not find Babasaheb and the present applicants, who are from Kendrewadi. Around 8.11 a.m., on 18.07.2020, the informant received phone call of the brother-in-law of Babasaheb stating that Babasaheb has been murdered and his body has been thrown in the field of one Arjun Ghanshyam Lad. Informant went there and found the dead body of her husband in nude condition. He

had sustained injuries. Then she says that present applicants had committed murder of her husband and by saying so, she has lodged the report. The learned Advocate for the applicants further submitted that now, the investigation is over and charge-sheet is filed. Nothing has been recovered at the instance of the present applicants except their clothes. The discovery of the murder weapon is by accused No.2 – Chandrashekhar @ Chandraprakash @ Balu Sadashiv Kendre and it is shown that present applicant No.1 in Bail Application No.1574 of 2020, namely, Prashant has discovered plastic pipe and wooden stick. There is no eye witness to the incident and all the witnesses as well as the informant want to rely on the alleged incident that had taken place earlier day when the applicants are stated to have abused and assaulted deceased. There is no direct evidence about the incident that had allegedly taken place in the intervening night of 17.07.2020 and 18.07.2020. Statements of the witnesses taken under Section 164 of the Code of Criminal Procedure is also on the point of the incident that had taken place at about 3.00 p.m. on 17.07.2020. The prosecution intends to say that there was illicit relation between Babasaheb and wife of accused No.1 – Nitin and, therefore, all the accused persons got annoyed with Babasaheb and that was the reason for which Babasaheb is stated to have been eliminated. However, there is no direct evidence to

support the impression that was carried out. The learned Advocate for applicants, therefore, prayed for bail as it would take long time for the concerned Court to decide the matter.

4. Learned APP well assisted by learned Advocate representing the original informant strongly opposed the applications and submitted that though there is no direct evidence, yet, the circumstances and the chain of events definitely indicate that the present applicants along with the other co-accused, are the authors of the crime. They had gone to the house of Babasaheb at about 3.00 p.m. on 17.07.2020.. Balu @ Chandraprakash Kendre had assaulted Suresh with whip and when Suresh asked as to why he is being assaulted, at that time, Balu @ Chandraprakash told that his brother Babasaheb has done the act, which has caused domestic problems (तुझा भाऊ बाबासाहेब याने आमचे घर मोडले आहे). Present applicants were present there and they also told Suresh that he should produce Babasaheb at that moment because of the bad acts done by him. All of them had abused the family members and left. At the time of leaving, the present applicants had told Suresh that they should bring Babasaheb before them, otherwise they would cause ill act with the female members of the family. Thereafter, this fact was told by the informant to her husband Babasaheb and then he felt that there is danger from these accused persons to his life and, therefore, he told that

he would go to the place of his sister at Tokwadi. This incident was sufficient to have nexus of the present applicants with the crime. The second part is that when the informant had given a phone call to her husband at about 7.38 p.m., Babasaheb had told her location where he was i.e. near the field of Subhash Uttam Lad and then he had also told that the present applicants are along with him. The statements of witnesses are on the same point. Further, statement of witness – Sunil Dapkar would show that when he was proceeding at about 6.00 p.m. on his motorcycle towards Khadi Kendra on 17.07.2020, he found present applicants and one Babu Kekan as well as Shrihari Kekan holding wooden sticks, wooden log and plastic pipe. There are witnesses who have stated that they had tried to resolve the dispute between Babasaheb and accused No.1 – Nitin. Statements of witnesses taken under Section 164 of the Code of Criminal Procedure are on the same line. There is discovery of the weapons at the instance of Chandrashekhar @ Chandraprakash Kendre as well as Prashant. The postmortem report shows that the death was homicidal in nature and, therefore, when only the applicants had the motive to commit murder of Babasaheb, their bail applications deserve to be rejected.

5. At the outset, the investigation is over and charge-sheet is filed i.e. Regular Criminal Case No.78 of 2020. The evidence that is collected

against the present applicants is required to be considered. The story is already narrated and, therefore, it need not be repeated. From the perusal of the entire charge-sheet, it can be seen that the case is based on circumstantial evidence. No doubt, the inquest panchanama, postmortem report and other documents on record definitely show that the death of Babasaheb was homicidal in nature, it is then required to be seen as to whether *prima facie* facts and evidence show that the present applicants are the possible authors of the crime. Except the statements, which appear to be hearsay, there is no evidence regarding the alleged illicit relationship. The allegations are to the extent of talking on phone by Babasaheb to a lady. None of them appears to have been seen them together at any point of time. Now, it would be the task of the prosecution to prove that, that was the motive behind the crime. As regards the incident that had taken place at about 3.00 p.m., the role attributed to the present applicants is restricted to abuses. At the most, active part was played by accused - Chandrashekhar @ Chandraprakash, who had assaulted Suresh by whip. The memorandum panchanama after the discovery by Chandrashekhar @ Chandraprakash would show that he has discovered one Bambustick, wooden stick and wooden plank. Present applicant – Prashant has discovered one plastic pipe and one wooden handle. At this stage, there is no corresponding evidence in

the form of either matching blood stains of the deceased on these weapons and, therefore, whether independently that can be said to be the murder weapon will have to be proved by the prosecution at the time of trial. The cause of death is death due to hemorrhagic shock due to multiple contusions over the body. As aforesaid, the death is homicidal in nature. Statements of witnesses are on the same line, but taking into consideration the fact that is disclosed in the FIR, that the informant had given phone call to Babasaheb at about 7.38 p.m., and it was picked up by Babasaheb, he told his location and also the fact that the present applicants are along with him, is not corroborated by piece of CDR of her mobile phone or mobile phone of the deceased. There appears to be much distance between Lade Wadgaon, taluka Kaij, district Beed and Tokwadi, which comes in taluka Parali, district Beed. But then it is to be noted that as per the informant, Babasaheb had left his house around 3.00 to 3.30 p.m. and till 7.30 p.m., he had not reached to Tokwadi. The disclosure by him that he is along with the applicants at that time is surprising at this stage, as the informant has stated that due to the fear from the applicants, he was going to Tokwadi, yet, how he could be with the same persons, is a question. Therefore, taking into consideration the evidence that is collected and the fact that it would take long time to stand the trial, the applicants deserve to be

released on bail. Hence, the following order :-

ORDER
