P.C. :

1. It seems the the petition was circulated under a belief that it is pending before this Court. Mr. Kulkarni, learned counsel for the petitioner submits that the petition is already disposed of by an order dated 28th January, 2020 and it seems that for some time the order of this court was not uploaded on the website and, as such, the petitioner was under the impression that the petition is pending before this Court. Now, the order passed by this order on 28th January, 2020, is also uploaded on the website of this Court and, as such, nothing survives in the matter as the petition is already disposed of.
