2. The petition proposes adoption of a boy, Suketu, born on 23 November 2019. The child was surrendered by the unwed mother before the Child Welfare Committee II, Mumbai Suburban, on 07 January 2020. And on the same day, the boy was handed over to the Petitioner institution, St. Catherine's Home, Mumbai. Later, 24 June 2020, the Child Welfare Committee inquired and passed the 'legally free for adoption' order under Section 38 of Juvenile Justice (Care and Protection of Children) Act, 2015. The order is placed on record.

3. The proposed adoptive parents are Indian nationals residing at Balod, Chhattisgarh. They are aged about 40 and 32 years, having been married for the past 10 years with no biological child due to medical reasons. The proposed adopters' motivation letter has been placed on record. In that letter, they state that they both have always dreamt of being parents, but they remained childless. With the knowledge that adoption is a great option of becoming parents, they have decided to adopt a child. by the prospective parents, has been placed on record. It is filed together with the prospective adoptive parents' declaration of consent and willingness. Health certificates, such as negative HIV report, of the minor have been placed on record.

9. Considering the material placed on record, some of which has been referred to above, and compliances noted as above, this Court is of the view that the adoption petition deserves to be allowed.
