CORAM: ROHIT B. DEO, J.
DATE:23.08.2021.

This application is preferred seeking temporary
bail on medical ground.

2. The applicant is accused of commission of offences punishable under sections 20 and 29 of Narcotic Drugs and Psychotropic Substances Act, 1985 and his application for bail is rejected by this Court on merits.

3. Perusal of paragraph 3 of the application shows that the applicant is complaining of pain in chest and high blood pressure. It is stated that the applicant is availing continuous medical treatment in jail from 25.1.2021 till date. The applicant admits that he was referred to the Akola and Nagpur Government Hospitals for better treatment. However,

the applicant contends that he has not recovered. While a statement is made that the doctor has suggested several tests and surgery, no details are disclosed. I have not come across any material to suggest that any doctor has recommended surgery.

The angiography conducted has not shown any abnormality.
