PRAYER:-

Writ Appeal filed under Clause 15 of Letters Patent against
the order dated 11.02.2020 in W.P.No.10001 of 2019.

Prayer in W.P.No.10001 of 2019:-

To issue a Writ of Mandamus Directing the Respondents to
approve the Appointment of Thiru A.Anthony Raja in the regular
Sanctioned Post of Junior Assistant in the Petitioner School
from the date of Appointment on 06.03.2016 and to make the
payment of Salary with Interest and other service Benefits,
within a time frame to be fixed by this Court.

4. The learned counsel for the respondent/School invited this Court's attention to the recent judgment made in W.A.No.1022 of 2020 dated 07.01.2021 (Director of School Education and Others V. S.Murugan and Another). The above said Writ Appeal is also on the same subject arising in an identical situation, where the appellant was appointed prior to 2018 and when proposal was sent for approval, there was no response and the writ petition was filed and disposed of by the learned Single Judge, against which, the writ appeal was filed. In the said appeal also, the two grounds raised by the Government, namely, (i) that no permission was sought for by the School before the appointment is made of any non-teaching staff ; and (2) that in view of G.O.Ms.No.238, the surplus staff should have been engaged were negatived. As stated earlier, the appointment, thus, was made prior to 2018, i.e., on 06.03.2016. The Government Order passed only in the year 2018 has no retrospective effect.

5. So far as the permission to be obtained before making the appointment is concerned also, the First Division Bench in S.Murugan's case (cited supra) has held as follows :

"6. What is of importance is whether an aided School is required to obtain prior permission from any authority to undertake the process of appointment upon a vacancy arising in a sanctioned non-teaching post. The appellants have not been able to indicate any Rule or Notification or the like requiring prior permission to be sought before undertaking the exercise to look for a replacement upon a sanctioned post falling vacant in the non-teaching category.

7. It is possible that there may be surplus staff in other Government-aided Schools in the District or nearby areas. It is equally possible that the Government may require the surplus staff to be deployed at other aided Schools upon vacancies in similar post arising thereat. However, there has to be a mechanism which has to be put in place for such purpose and the process has to be certain. It would not do for the Department to refuse an appointment merely because at the time of appointment, the Department finds surplus staff of similar description in other aided Schools in the District or the locality. The position as to surplus staff ought to exist at the time when the vacancy arose or, at any rate, prior to the

faulted with and the learned Single Judge, therefore, rightly directed the authorities to approve the same within a period prescribed. We see no reason to interfere with the same.

7. For the foregoing reasons, the Writ Appeal is dismissed and the order of the learned Single Judge is confirmed. The appellants are directed to comply with the directions issued by the learned Single Judge within a period of four weeks from the date of receipt of a copy of this order. However, there will be no order as to costs. Consequently, connected miscellaneous petition is closed.
