2. The learned counsel for the petitioner states that the Company has already gone under liquidation through order dated 31.10.2018 and in spite of the efforts stated by them, they could not able to secure instructions to get along with the matter.

3. However, the relief sought for in the year 2011 to forbear the respondents from restraining the petitioner from drawing ground water cannot be considered at this length of time as extraction of ground water is now regulated by the Government by issuing Regulations and orders.

4. This being the factum, the relief as such sought for cannot be granted and accordingly, the writ petition stands dismissed. No costs. Consequently, connected miscellaneous petition is closed.
