the fact that the civil suit is pending, the petitioner has filed a Writ Petition and the copy of survey report was not served on to him.

4. Considering the circumstances and the prayer sought in the Writ Petition, surveying the land has been complied with and reported that the Surveyor has also measured the property. Hence, nothing survives for further adjudication in this Writ Petition. However, the Taluk Surveyor is directed to serve the copy of report to the petitioner as well as impleading respondents 2 to 4 within a period of two weeks from the date of receipt of copy of this order. Accordingly, this Writ Petition stands disposed of. No costs.
