(x)there are about 210 students studying in their school, namely, Thai Tamil Palli School. They are providing 229 meals everyday to the children and staff in their School. All services are free. The School is alive from the public contribution. In the given circumstances, they have requested to provide adequate donation to feed the school children during mid day meals. They further requested to consider that the orphan children are studying in

their school and that one boy student and one girl student from V examination, who secures highest marks, may be awarded meritorious award and it will be helpful to them for their further studies. Their request is genuine one and the same may be considered by this Court. The meritorious award may be donated from the Trust estate of RSRM.

(xi)the meritorious award may be given with effect from the academic year 2020-2021 to one boy student and one girl student, who has secured highest marks in their V examination with each Rs. 30,000/- as certified by the Headmaster of Thai Tamil Palli School. For providing midday meals, the Official Trustee has suggested a sum of Rs.20,000/- per month may be donated from the date of order as periodical payment from the Trust Estate of RSRM.

(xii)in the scheme decree of CK Naidu Trust Estate, there is a clause for doing charities to the poor people. The objects of the charities may be expanded to include within its ambit to donate Auto Rickshaw, books and equipments for school infrastructure to Thai Tamil Palli, which is useful for the needy, poor students and people, by invoking the “doctrine of cypress’. The office of AG & OT may also be joined to help the needy people.

(xiii)the main object of the RSRM Trust Estate is poor feeding. The Co-Trustee of RSRM Trust Estate Mr.Ramprasad has taken a lot of efforts to help the poor through the said trust. Since 2002, every year poor feeding is done to the various Orphanages, NGOs, and aged homes etc. Apart from that dress materials, books and allied stationeries have been donated then and there to the schools, orphanage etc. Medical equipments have been provided to RSRM hospital. In the recent past due to COVID-19 pandemic rice and groceries have been donated to group of 850 people and nearly 20 institutions of NGOs, Aged Home, and Orphanage etc. with considerable amount.

(xiv)the Official Trustee has discussed the above facts with Mr.Ramprasad, Co-Trustee of RSRM at least to help from the Trust Estate of RSRM. After hearing the story, Mr. Ramprasad immediately and intellectually has accepted the suggestion of the AG & OT and periodical payment may be given to the school. When the discussion was taking place between the AG & OT and Co-Trustee of RSRM, it was suggested that the help by way of cash may be in two aspects: (a)periodical payments to the institution and (b)meritorious awards to the students of one boy student and one girl

student, who secured highest mark in the V Standard examination. The Headmaster of the Thai Tamil Palli has to certify the students' particulars, who secured highest marks in the V Standard examination. The assessment should also include not only in syllabus and also by other aspects of attitude, moral education, physical education etc. The certification of Headmaster is final to award scholarship to two students. As the Co-Trustee has finally accepted the suggestion, then the AG & OT decided to file these applications in different numbers.

(xv)the Thai Tamil Palli School has been providing free meals about 210. The main object of the RSRM Trust is to provide poor feeding. Since, Thai Tamil Palli School is providing free meals to poor students, periodical payments may be given to Thai Tamil Palli and through its service the intention of the Testator would be fulfilled to link the poor feeding to lift the poor students. Awarding scholarship to two meritorious students will help them to utilize for further studies. By way of “doctrine of Cypress” this Court has power to extend it to the poor feeding of students and meritorious award to the students.

(xvi)in view of the above, a periodical payment of Rs. 20,000/- every month

may be donated to Thai Tamil Palli, Rosanai, Tindivanam 604001, from the date of the order for poor feeding of noon meals to students studying in Thai Tamil Palli School. The Meritorious award of Rs.30,000/- to one boy and one girl student of V pass, who secured higher marks as certified by the Headmaster of Thai Tamil Palli School Rosanai, Tindivanam 604001, be given with effect from the academic year 2020-21.

(xvii)to meet out the expenditure, the Trust Estate has adequate Fixed Deposit of more than 3 crore rupees and out of the income derived from it more charities have been done. There is no difficulty to meet out the above periodical expenses for poor feeding and meritorious award to the school students of the V standard pass. The meritorious student award cheque may be distributed either in the student's name or their parents/guardian name. The School authority has to submit necessary documents for students' meritorious award when called for by the O/o AG & OT along with other procedural compliance.

Submitting as above, learned Administrator General and Official Trustee prays for the above relief.
