O R D E R

The writ petition challenges the order of transfer made in the year 2008. According to the petitioner he was transferred on the verge of his retirement that's why he has approached this Court against the impugned order of transfer. However, 13 years have been passed by petitioner would have retired from service and the order of transfer would have no effect as on today.

I do not find anything survives for adjudication. Accordingly, the writ petition is closed as having become infructuous. There shall be no order as to costs. Consequently, connected Miscellaneous Petitions are closed.
