O R D E R

This writ petition is filed challenging the order of the respondent transferring the petitioner on the ground that she was found surplus.

2. According to the petitioner the respondent has not considered the students strength as well as the students teacher ratio. This Court considering the prima facie case has granted an order of interim stay of transfer and with the strength of that interim order, she continued in the same school.

3. When the matter is taken up for final hearing, the learned counsel for petitioner would submit that the respondent can revisit the order considering the school strength as well as

the students teacher ratio and thereafter pass appropriate orders. I consider it as a reasonable prayer and accordingly grant the same.

4. In fine, the writ petition is disposed of with a direction to the respondent to consider the present students strength of the school and also students teacher ratio and pass appropriate orders, within a period of 12 weeks from the date of receipt of a copy of this order. No costs. Connected miscellaneous petition is closed.
