### **ORDER**

This contempt petition has been filed for the alleged disobedience of the orders of this Court dated 05.05.2010 and 03.08.2010 in M.P.No.1 of 2010 in W.P.No.10103 of 2010.

2. In the said order in the miscellaneous petition, an order of status quo had been passed and according to the petitioner, in violation of the order of status quo, some construction had been made.

3. In this context, the respondents filed a counter affidavit, wherein it is stated that, well before the order of status quo, the encroachment on the part of the petitioner had been removed and the construction activities had commenced. Therefore, the

Cont.P.No.1583 of 2015

question of initiating any contempt proceedings does not arise. That is the stand of the respondents.

4. Moreover, the main writ petition in W.P.No.10103 of 2010 also came to be decided today, where this Court rejected the said writ petition. Since the main writ petition itself has been rejected and in view of the stand taken by the respondents that, the encroachment on the part of the petitioner had been removed and the construction activities had commenced before the order passed, this Court feels that, no further action can be taken against the respondents in this contempt petition.

5. In that view of the matter, this contempt petition is liable to be closed and accordingly it is closed.
