O R D E R

The petitioner has sought a mandamus directing the first respondent to consider his representation dated 21.01.2021. This writ petition is pre-mature as the writ petition has been filed on 19.02.2021, less than four weeks after date of representation. The representation dated 21.01.2021 has been received by the respondents only on 25.01.2021.

2. Hence, I am not inclined to consider the prayer in the writ petition and this writ petition is dismissed as pre-mature. No costs.
