non-compliance of the order dated 08.01.2014 passed by this Court in

WP Nos. 13243 of 2013 etc., batch. In Para No. 19 to 24 of the order dated

08.01.2014, this Court issued the below mentioned directions while allowing the

aforesaid Writ Petitions

" 19. The law is therefore clear that the Housing Board is entitled to collect the land value paid or payable to the landowners along with statutory interest.

20. The impugned notices do not contain the break up of cost as indicated in Service Society.

21. The Tamil Nadu Housing Board appears to have calculated the balance amount payable by the petitioners taking into account the Government Order in G.O. Ms. No.215, Housing & Urban Development Department dated 28 September 2012. Though a reference was made to the difference in land cost, there was no indication about the enhancement made by the Reference Court with modification if any, made by the Appellate Court, interest paid to the land owners and other relevant details so as to enable the allottees, to have an idea with regard to each of the components. In case the reference proceedings are pending under Section 18 of the Land Acquisition Act, either before the Reference Court or Appellate Court, calculation must be made by taking into account the maximum amount claimed by the land owners. The allottees would be benefited in case the land cost along with the statutory interest is deposited early, as otherwise, they are liable for interest after the conclusion of Section 18 proceedings.

22. The Tamil Nadu Housing Board is permitted to collect the differential cost and statutory interest in accordance with the Judgment in Service Society.

23. In the result, the impugned notices are all set aside. The concerned division is directed to prepare a statement of cost indicating the development cost and land cost and statutory interest in the light of the judgment in Service Society. The notice calling upon the allottees to pay the balance amount must

accompany a copy of the statement of cost. In case petitioners have made payments pursuant to the impugned notices, such payments shall be given due credit. The petitioners should be given reasonable time to pay the balance amount after service of notice.

24. The writ petitions are allowed to the extent indicated above. No costs. Consequently, connected miscellaneous petitions are closed.

2. When Contempt Petition Nos. 3394 to 3403 of 2014 etc., batch were taken up for hearing on 16.03.2016, which is connected to this Contempt Petition, this Court passed the following Order.

"The learned Additional Advocate General seeks time to prepare a chart indicating the amount paid to the land owners by complying with the Award passed by the Land Acquisition Officer or in case of enhancement, the concerned number of the Land Acquisition Original Petition and details regarding enhancement made by the High Court or Supreme Court and the date of deposit of the enhanced amount before the Reference Court and date of completion of the project and the date of allotment.

2. The learned Additional Advocate General wanted this matter to be posted on 30th March 2016. The concerned petitioners are directed to submit their response with regard to the individual demands made by the Housing Board in the meantime.

Post on 30th March 2016."
